Fight Back Against Termites and Rot

All LP® SmartSide® products are treated with our proprietary SmartGuard® process to resist fungal decay and termites in harsh environments. To prove it, LP SmartSide products are subjected to intense testing against moisture and thriving termite colonies in the jungles of Hilo Hawaii. Even after years of exposure, LP SmartSide products remain structurally sound.

LP's proprietary SmartGuard process offers four components of protection against termites and fungal decay. Every LP SmartSide product is treated to the core with an advanced formula of binders, waxes and zinc borate before being bonded with a water-resistant, resin-saturated overlay.

Simply a Better Storage Solution

Quality Buildings, Inc. offers LP SmartSide products that feature hardworking innovations to help resist fungal decay and termites, and stand up to harsh weather. Beautiful and exceptionally durable, LP products make your outdoor structures a cut above the rest.

LP Innovations:

- Treated wood technology for exceptional durability
- Backed by one of the best warranties in the industry
- Safe for children and pets
- Rich cedar grain texture on the outside for exceptional beauty
- Premium interior finishes available

► 10-YEAR WARRANTY

Quality Buildings, Inc. provides a warranty to the original purchaser that all of the Quality Buildings products are free from defects in material and workmanship upon delivery. We will repair or replace any component(s) that does not provide reasonable service under normal use, for a period of 10 years from the date of construction. Damage caused by storms, natural disasters, building alterations, and animals will not fall under the coverage limits of this warranty. Also we, as the manufacturer, shall not be responsible for the natural characteristics of some wood to warp, split, or twist. In addition the warranties given by the individual product manufactures are extended to the original purchaser to include the following items.

- **5/50-year pro-rated warranty on LP Siding**
- **Limited Lifetime paint warranty on metal panels**
- **Limited Lifetime warranty on treated skids and joists**

► FREE DELIVERY

We offer FREE delivery within 50 miles of any Quality Buildings dealer location. This delivery service includes the setup of your building by ensuring the proper leveling and the correct operation of doors and windows. We are committed to delivering your building in a safe and timely manner. Delivery time can be affected by weather and holidays. Please consult a local dealer for the current delivery times.

► FREE MULE SERVICE

All of our professional drivers will have a Mule with them at the time of delivery to assist with the placement of your portable building. This Mule will allow them to place the building in a position that may not be accessible by a truck and trailer, and it will help to protect your property from damage caused by a delivery vehicle. Our drivers will unload the building from their trailer and then move the building to your desired location. This is another FREE service that we are pleased to provide to all of our customers.

► EXPEDITED DELIVERY SERVICE

We offer an expedited delivery service for our customers who are in the immediate need of their building. This service guarantees delivery of your building within 7 business days from the contract date for a \$100 service charge. We guarantee this delivery by paying you, the customer, \$250 if we fail to deliver by the 7th business day.

Conditions of Expedited Delivery

- 1. Quality Buildings, Inc. retains the right to extend the 7 business day period by the number of delivery days prevented due to inclement weather.**
- 2. Customer must accept the first available delivery date and time given by Quality Buildings, Inc. delivery personnel.**
- 3. Subject to change during holidays and peak seasons.**
- 4. This service is not available at all locations.**

*Lease purchase customers who qualify for the \$250 voucher will have the credit applied to the principal amount owed once the voucher has been approved.

Prices and/or information are subject to change without notice.
